

How To Make Your Mini Folded Book

1. Fold the paper in half the length-ways.

2. Open the paper and fold it in half the short way.

3. Take one layer of paper, flip the edge back to meet the fold, and crease.

4. Turn the paper over, flip the edge of the paper back to meet the fold, and crease. So that when you look at the end you see a W.

5. Cut the centre of the W along the centrefold. You'll be cutting through two layers of paper and stopping at the cross fold.

6. Use both hands to hold each of the two halves of the hot dog from the top.

7. Slowly pull apart these top halves until you have an open book with four sections.

8. Bring three of the sections together. Fold the last section on top of the other three so that you have a flat book.
